

French Door Insert

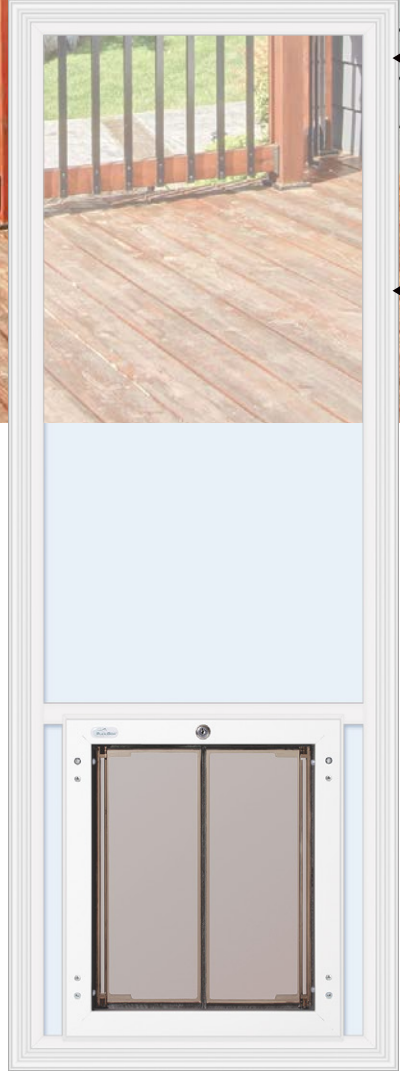

When a French patio door is the ideal location for a dog door installation, the PlexiDor® Glass Series French Door Insert is the solution. The insert is shipped fully assembled and ready for replacement of the existing glass.

- Sizes for door heights of 80" and 96"
- Available in widths of 32", 34" or 36"
- Factory installed PlexiDor® dog door
- Select LoE or Clear glass

The arrows indicate the French Door Insert installation into a single and a double door application.

To ensure you have selected the proper product prior to ordering, call PlexiDor® Customer Service at: **941-752-7021/Ext. 204 or 206.**

Insert pictured with Large PlexiDor dog door

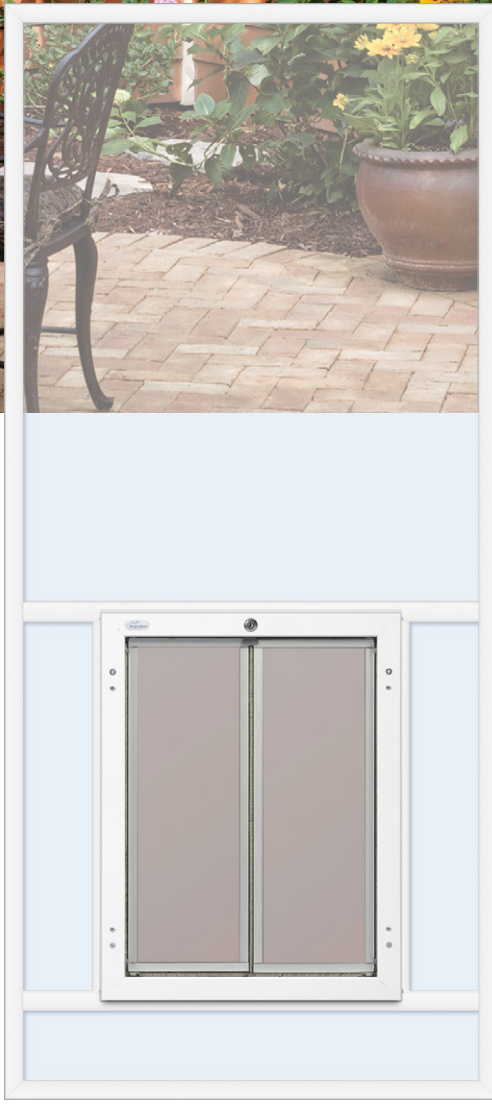

The PlexiDor® dog door is available in four sizes: **Small (SM), Medium (MD), Large (LG)** and **Extra-Large (XL).**

The insert is designed as a replacement of the original French door glass insert. The existing door frame, handles and hardware remain unchanged.

Sliding Glass Door Insert

Converting a sliding glass door into a fully functional dog door is easy with the new PlexiDor® Glass Series Sliding Glass Door Insert. The insert is shipped fully assembled and ready for installation. The PlexiDor® dog door is factory installed.

- For 80" and 96" tall sliding patio doors
- Existing frame, handles, locks and rollers are unchanged
- The PlexiDor® dog door is factory installed
- Select LoE or Clear glass

Insert pictured with Extra Large PlexiDor dog door

The PlexiDor® dog door is available in four sizes: **Small (SM), Medium (MD), Large (LG)** and **Extra-Large (XL).**

The **Sliding Glass Door Insert** replaces the original door glass only. Existing door frame, handles and hardware remain unchanged.

The insert is prefabricated and designed to replace the original glass panel. The crossmember provides added durability. Insulated glass provides maximum energy efficiency.
